The Heart of the Story: Character Analysis

The characters in "My Name Is Aram" are its lifeblood. Saroyan masterfully crafts individuals who are both archetypal and deeply personal. Here's a closer look at some of the most significant figures:

Aram: The Observant Narrator

Young Aram is our window into this world. He is curious, intelligent, and possesses a keen sense of observation. He often acts as a mediator between his elders and the new American world, attempting to make sense

of the often-confusing customs and expectations. His youthful innocence provides a contrast to the hardships his family endures, making their struggles all the more poignant.

The Grandparents: Pillars of Tradition

Aram's grandparents represent the anchor to their Armenian heritage. They embody the wisdom, resilience, and deep-seated traditions that the family strives to maintain. Their presence offers a sense of continuity and a reminder of their roots amidst the new surroundings.

Uncle Melkon: The Gambler and the Pragmatist

Uncle Melkon is a complex character, often at the center of comedic mishaps due to his gambling. However, he also represents a certain pragmatic approach to survival, albeit one that sometimes leads to trouble. His struggles highlight the economic pressures faced by immigrants and the difficult choices they sometimes had to make.

The "Doctors": The Intellectuals (or Aspiring Ones)

The stories sometimes feature characters who are aspiring doctors or intellectuals. This thread often explores the theme of ambition and the desire for upward mobility within the immigrant community, as well as the humorous gap between aspiration and reality.

Saroyan's characterizations are not about grand pronouncements but about the small, telling details – a gesture, a turn of phrase, a particular habit. This makes his characters feel incredibly real and relatable, even to readers from vastly different backgrounds.
