How to Get Foxtel: The Sign-Up Process

So, you've decided Foxtel is for you and you've chosen your packages. Now, how do you actually sign up?

1. Visit the Foxtel Website

The most straightforward way to get Foxtel is by visiting the official Foxtel website. Here, you'll find: * **Package Builder:** An interactive tool that allows you to select your base package (Foxtel Plus) and then add on your desired Packs. * **Current Offers and Promotions:** Foxtel often runs special deals, discounts, and introductory offers, so keep an eye out for these! * **Eligibility Checker:** You can usually check if Foxtel services are available at your address.

2. Choose Your Connection Type

As mentioned, Foxtel can be delivered via satellite or broadband. * **Satellite:** If you opt for satellite, you'll need a clear line of sight to the sky for installation. This is a traditional method and may require professional installation of a dish. * **Broadband (IPTV):** This is the increasingly popular option, especially for those who already have reliable NBN (National Broadband Network) or other fast internet connections. It uses your existing internet connection to stream Foxtel. This often means no dish is required and can simplify the installation process. Your choice will depend on your location, existing infrastructure, and preference.

3. Create Your Account and Select a Plan

* **Account Creation:** You'll need to create a Foxtel account with your personal details. * **Plan Selection:** Choose the duration of your contract. Foxtel typically offers month-to-month plans, as well as 12-month and 24-month contracts, with the longer contracts often coming with discounts or bundled offers. * **Payment Information:** You'll need to provide payment details for your subscription.

4. Installation Options

* **Self-Installation (Broadband Only):** For broadband connections, you might be able to opt for a self-installation kit, where Foxtel sends you the iQ box and instructions to set it up yourself. This is often the quickest and most cost-effective option if you're comfortable with basic tech setup. * **Professional Installation:** For satellite connections, or if you prefer expert assistance for a broadband connection, a professional installation will be scheduled. A technician will come to your home, install the necessary equipment (dish, iQ box, etc.), and ensure everything is working correctly. This usually incurs an installation fee.

5. Confirmation and Activation

Once you've completed the sign-up and installation, you'll receive confirmation details. Your service will then be activated, and you'll be ready to start enjoying your Foxtel entertainment!

Kayo Sports

If your primary interest is sports, Kayo Sports is Foxtel's dedicated sports streaming service. It offers an unparalleled selection of live and on-demand sports, with no ad breaks during play. Like BINGE, Kayo is a separate subscription and doesn't require a traditional Foxtel subscription. Things to Consider Before Signing Up

Before you click "sign up" and unlock the world of Foxtel, here are a few important things to keep in mind:

- * **Internet Speed (for Broadband/Streaming):** If you're opting for a broadband connection or streaming services like BINGE or Kayo, ensure you have a stable and sufficiently fast internet connection (NBN is recommended). Poor internet can lead to buffering and a frustrating viewing experience.

What to Consider Before You Subscribe

Before you finalize your decision on how to get Foxtel, several

factors warrant careful consideration to ensure you're making the best choice for your household.
